INSTRUCTIONS FOR SPEAKERS AND CHAIRS
THE VIRTUAL IFSO-EC 2020 CONFERENCE

TECHNICAL PRE-REQUISITES

For correct function of the online e-meeting platform please follow the minimum system requirements:

- Microsoft Windows or Mac OS based device
- Latest Chrome and Microsoft Edge internet browser (other browsers are not fully supported)
- Noise cancelling headphones with microphone to reduce background noise
- Stable Internet connection (minimum 10/10Mbps)

LOGIN

To attend the virtual e-meeting, please visit the e-meeting's website (https://www.ifso-ec2020.com) and click the User Login link in the top right corner of the page.

The site will request your login credentials (email address and password)

➢ On your first login attempt the site will ask you to provide your email address (Your email address we are sending these instructions to), your password will be automatically sent to this address (it is coming from the e-mail address info@icon.cz).

SPEAKERS READY ROOM

Your equipment and the internet connectivity can influence the performance and quality of the virtual Conference stream. It is highly recommended to first test these in the SPEAKERS READY ROOM.

➢ Please make sure to visit the SPEAKERS READY ROOM no later than 30 minutes before your session starts, to cede us adequate amount of time to provide you support in case you are facing technical issues.

➢ To test the stream quality (only available for Chairs and Speakers):
  o Visit the SPEAKERS READY ROOM
The testing wizard will guide you through the process, to proceed through the test, press the Next step button.

- First test will check your internet connection speeds and browser version.
- Be aware that the internet speed test is done against our virtual e-meeting platform directly and may not reflect the local internet speed guaranteed by your provider.
- After testing your microphone, camera and screen sharing the final test will verify that your network has port 9000 enabled which is required for the screen sharing and live stream connection. If all is successfully tested, you will see a video stream confirming all tests went OK.
- If any of these tests fail, please contact the technical support directly.

**Technical requirements for speakers and chairs**

For a smooth running congress and a simple connection, we recommend implementing the following requirements:

- **internet connection**: at least 10Mbps upload and 10Mbps download
- **internet browser**: the latest version of browser Google Chrome or Microsoft Edge
- **network**: allowed UDP port 9000 for IP address 37.205.14.195
- **sound and video**: we recommend headphones with a microphone
- **tip for you**: make sure nothing disturbs you during your presentation
- **tip for you**: check the camera position and choose a room with proper lighting.

**Browser and network test**

Please test your browser and internet connection.

- **Our tip**: Using LAN cable will give you a faster and more stable connection than wifi.
- **Our tip**: Plugging your laptop to the charger will also increase the performance of the device.

### Start test

**Browser:** OK
**Download:** 25.52 Mbps
**Upload:** 14.4 Mbps

**Next step**

**The final test of your connection**

This test is testing your current network, if you change your network you need to test your connection again.

Now you will be connected to the virtual room - testing accessibility of port UDP 9000.

In front of you, you will see a green animated test telling you what to do next.

If not clear, click.
ACTIVE PARTICIPATION (SPEAKERS, CHAIRS)

To participate in your session as a speaker or a chair, please navigate to MY REMOTE PARTICIPATION. This will enable you to actively contribute to the session, speak, present etc. after the technical chair enables these features to you.

After entering MY REMOTE PARTICIPATION section, you will see your assigned sessions only

➢ To join the session, click on: Enter the Session button
  ◦ This button will be active only after the session is open for participation
  ◦ Button is active 10 minutes before the start time of the session

A. CHAIRS

Your microphone is automatically activated as soon as you enter the session, and you are able to speak to the audience, other chairs and all speakers in the session for the duration of the session.

◦ You will also hear our technical support, who will be allowed to speak to current presenting speakers at your request.

◦ Under the preview of the ongoing presentation, you always can see the schedule of the entire session and who is already remotely present in this session (their names are highlighted in green).

◦ For further instructions please refer to the ESPA Chair Instructions manual.
B. **SPEAKERS**

   After entering the session, you can hear the chairs and the current speaker and see a preview of currently running presentations.
   
   - Your microphone and presentation sharing remain inactive until enabled by the chair.
   - The technical support will automatically launch your pre-recorded presentation.
   - Once your pre-recorded presentation is over and when enabled/prompted by the chair, a screen-sharing window will automatically appear on the screen and your microphone will be activated for discussion.

   ➢ Please make sure you have provided your pre-recorded presentation in advance by 2 December 2020.
   ➢ Before entering the session, please make sure that you have passed the Speakers Ready Room test.

---

**LIVE STREAM**

To attend the running sessions, you can find the full e-meeting program under the Live Stream button. Here find your desired section/hall and the list of sessions will be presented to you. Please click on the Room to enter the stream.

Under Live Stream there is a one Virtual Room available according to the program:

   - Once you click on the room, you enter live stream Conference.
   - For having open program next to the live streaming, we suggest to open program on another tab of the web browser.
